

Dear League Members,

We are presenting you with some small proposed bylaws revisions. Among the changes, new wording will provide more flexibility for busy members to serve LWVFC through various means, such as job sharing of essential board positions; reflect a change in LWV-US membership categories that eliminated the former "life" membership but instead honors 50-year members; and reduce the number of mandated meetings annually. The bylaws continue to provide strong financial controls over our small treasury, as well as the orderly conduct of all LWVFC business, and the authorities of the President and other officers.

The board's intention in making these changes is to attract new members and provide them with new opportunities to become involved. (There are also a few proposed small "housekeeping" revisions that have no effect on the conduct of business.) LWVFC's bylaws were last updated in 2007.

Thanks and ALOHA!
